

ST. MARY'S
Middle School
Summer Math Assignment, Summer 2022
MATH - 6-8 grade

To keep fresh in your Math over the summer I assign IXL topics to St. Mary's Math students. Your children will access their assignments through Google Classroom. I have already given them the information to login to the Classroom and IXL.

Students will receive a completion grade of 100%, on each topic that has an IXL proficiency score of 85 and above. These will be your first math grades in September.

I have included the Google Classroom code, but please reach out if your child does not have their sign in information.

Please complete the following sections:

Incoming 6th Grade - Go to 5TH GRADE MATH. Work on the following sections. These are all topics that were covered in 4th and 5th grade.

Class code

ebghqvp 

Fractions **K.4, K.17, L.20, L.21, N.12**
Decimals **G.15, G.16, G.17, J.12**
Mixed Operations **O.1, O.15**

Incoming 7th Grade - Go to 6TH GRADE MATH. You will to review the following topics:

Class code

w5qg7wz 

Money and Consumer Math **V.1, V.2, V.5, V.6, V.7**
Equations with variables **Z.8, Z.9, Z.15, Z.18**
Geometry **FF.1, FF.2**

Incoming 8th Grade - Go to 7TH GRADE MATH. I would like you to review the following topics:

Class code

hlis7dp 

Proportions **K.1, K.2, K.3, K.4, K.5, K.6, K.7, K.8, K.9**

continued

Although there are many sections for each class, many of these sections can be completed in 5 - 10 minutes, they are just quick reviews. Please don't wait until the week before school begins to start. This activity is meant to keep math concepts fresh in your mind throughout the summer. This will be an assignment grade for the first marking period. These sections must be finished by August 28th to receive full credit.
