

Fourth Grade Necessities 2024-2025

I strive to have an organized classroom with a minimum of visual distractions, as I believe students work and learn best when they have open space around them. The students have a place for all of their school belongings—but no space for toys, boxes of crayons/markers, or large quantities of school supplies. In fact, since my storage space is limited, my supply list is more a list of what students DON'T need!

I have tables in my room, not desks. Students each have a small bin on the table for a few pencils, an eraser, a single pack of post-it notes, and a highlighter. Please do NOT send in pencil boxes/cases.

The students' supplies for art class (see below) will serve as the art supplies needed for my classes as well. Please do not send in any extra art supplies. I will let you know if/when items need to be replaced.

I have bins (dishpans) for the students to store and carry their supplies back and forth from art class, so they do NOT need an art supply box. I also ask that you do not send in oversized watercolors or extra large boxes of colored pencils/markers.

I supply rulers, and pencils. Please do not send in mechanical pencils or pens.

Classroom Supplies for the First Day of School

One 1" hardcover binder—**nothing bigger or smaller, as a bigger binder won't fit in the seat sack, and a smaller one won't hold all of their papers. Also, not a Trapper Keeper, or anything that zips shut.** (I will supply binder paper and dividers.)

One package of 3x5 white ruled index cards

One package of 4x6 white ruled index cards

A package of 1-½"x 2" post-it notes

A package of 3"x3" post-it notes

Two highlighters

One eraser

A fine black Sharpie marker

An extra-fine black Sharpie marker

(Over)

One roll of paper towels (Just one! I will ask for one more after Christmas.)

One box of tissues (Again, just one.)

Art Supply List

Sketchbook (no bigger than 9"x12")

Scissors

Glue sticks (minimum of 2)

Markers (thin or both thin and thick)

Watercolors (12 or more, but make sure the case is no bigger than 9"x12")

Colored pencils

Black Sharpies (minimum of 2 fine point and 2 ultra fine point)

Box of tissues
