

## ALL GRADES (grades K-8)

Scissors

Colored Pencils

Watercolors

Colored Markers

Glue Sticks- 2

Glue bottle- 1

Ruler

Sketch book

1 Pack of assorted paint brushes/ rounded ends (ex. Sizes 0-4)

Black Sharpies (grades 2-8)/ 2 EA. of BLACK-Ultra Fine point & Fine point

STUDENTS WILL ALSO NEED A BOX TO KEEP ART SUPPLIES IN- A box with a top that snaps on and fits all supplies neatly inside (except sketch book of course). In a pinch a shoe box would also work.

Please label or Sharpie your child's name on each item please as supplies often get mixed up when we are in our creative zone.

Note: If possible, larger sets of colored pencils/markers would be great! Also, watercolor sets larger than the standard 8 are preferred. We do a lot of watercolor related projects during the year. Michaels craft store has some decent inexpensive ones and Amazon has many options. Colored Sharpies are welcomed but not required.
