

Fifth Grade Supply List for 2024/2025

In an effort to have an organized classroom with minimal visual distractions to enhance better concentration on academics, I have allocated enough space for each student's supplies, but no space for extras, like toys, large amounts of school supplies, etc.

I have chair/desk desks that do not have storage within them, so each student will have a seat sack for his/her notebooks and folders and a small bin for classroom supplies (pencils, crayons, rulers, 2 highlighters, post-it notes). An area will also be designated for each student's art supplies box, please, no over-sized boxes as they do not sit properly on the shelves and tend to create a hazard when walking by.

No latex please, Mrs. Lam is highly allergic to latex. Thank you.

1. Six composition notebooks with cardboard (not plastic) covers—no binders or spiral notebooks.
2. Five 2-pocket folders, cardboard type, please, no plastic.
3. One package of 12 #2 pencils (no mechanical pencils).
4. Erasers (non-latex, if possible)
5. A clear plastic ruler (please no bendable rulers)
6. Two packages of 3X5 index cards (one ruled and one unruled)
7. **Paper towels**, one box of **Kleenex**
8. **Sanitizing Wipes** (Clorox, Lysol, etc.), One bottle of **hand sanitizer**
9. One package of 1-1 ½ X 2" post-it notes (please only one)
10. Two highlighters (please, no more than two), One pair scissors
11. Two glue sticks and one small bottle of "Elmer's" glue

The Art Supply List will be provided on a separate paper.
